

Centre's move to create for animal husbandry

around 30 per cent of total agriculture GDP," GCMMF Chairman Ramsinhbhai Parmar said in the statement.

Milk, he said, was the "largest agriculture crop of India" and total value of produced is around Rs 7 lakh crore which is more than the total value of all pulses and grain put together. "It is therefore most appropriate that a separate ministry is created which would ensure

proper focus and right budget and resource allocation that the sector required."

Parmar said, as per latest animal enumeration, there are 30 crores bovine population in India, he noted. The co-operative also said that dairy and animal husbandry sector has potential to achieve Prime Minister Narendra Modi's vision to double farmers' income by 2022.

Bahujan Samaj Party MLA Ramabai claims to have been offered a ministerial berth and a sum of Rs50 crore by the BJP in exchange for withdrawing support from the Congress-led state government.

This is an important decision. We will form the government or go for elections will depend on circumstances of the day. In any case, this is not a decision that would be taken at the state level. The final decision will be by the party high command.

It is being said command was move. Didn't confidence by regarding a

'Govt in MP will

As clouds of uncertainty loom on the future of the Congress government in Madhya Pradesh. Many old guards of the BJP including eight time MLA and leader of Opposition in the Assembly Gopal Bhargava have said that the present government is counting its last few days. Excerpts of an interview with Sandeep Kumar:

At the spokespersons, meeters and partners to story to the world.
 You will construct new bridges of understanding, appreciation and collective advancement between India and the rest of the world and build new, forward looking and stable partnerships between nations.
 You can play an important role in shaping the geopolitics of the future and in determining the new world order.
 We are now living in a world that is more connected than ever before. The world is truly a 'Global Village'. It is also swiftly changing in many unprecedented ways.
 The changing global geo-political and geo-economic land-
